

PRESS AND MEDIA PROTOCOL **Adopted May 2019**

1 Introduction

- 1.1 The purpose of this protocol is to guide both Councillors and Clerk to the Council in their relations with the press and media, in such a way as to ensure the smooth running of the Council.
- 1.2 This protocol does not seek to be over prescriptive but provides guidance on how to deal with some of the practical issues that may arise when dealing with the press and media.
- 1.3 Above everything else, a Councillor must observe the Council's Code of Conduct whenever he/she conducts the business of the authority, conducts the business of the office to which he/she has been elected/appointed or acts as a representative of the authority.

2 Employees

- 2.1 The Clerk must not disclose information that is of a confidential nature. This includes any discussion with the press on any matter which has been discussed under confidential items on the Council's or Committees' agenda or at any other private briefing.
- 2.2 The Clerk should act with integrity at all times when representing or acting on behalf of the Council.
- 2.3 The Clerk as the Proper Officer of the Council is authorised to receive all communications from the press and media and to issue press releases on behalf of the Council. In the absence of the Clerk, media communications will be handled by the Chair of the Council.
- 2.4 All communications made by the Clerk will relate to the stated business and day to day management of the activities or adopted policy of the Council. The Clerk is not expected or authorised to speculate on matters that have not been considered by the Council. Where such questions are put to the Parish Clerk,

the Clerk, and where appropriate, the Clerk should refer the enquirer to the Council Chair.

3 Councillors

- 3.1 A Councillor must not disclose information that is of a confidential nature. This includes any discussion with the press on any matter which has been discussed under confidential items on the agenda of a meeting of the Council or a Committee or at any other private briefing.
- 3.2 A Councillor should act with integrity at all times when representing or acting on behalf of the Council.
- 3.3 When speaking or providing written material to the press and media, Councillors should make clear the capacity, in which they are providing the information. For example, as Chair of the Council, or as a Parish Councillor, or as an individual (i.e. letter to press for publication), or as spokesperson for the Council as a whole.
- 3.4 Councillors should not use the prefix “Cllr” when writing to the press as an individual. This implies Council policy is being represented. A copy of any written material sent to the press and media by a Councillor, when representing the Council, must be forwarded to the Parish Clerk.
- 3.5 Particular care should be taken if the press or media approach Councillors for comment on a controversial subject. If unsure about any particular policy, Councillors should simply state “no comment” and, if appropriate, ask the press to contact the Parish Clerk.
- 3.6 Councillors should be aware that case law states the role of Councillor overrides the rights to act as an individual. This means that Councillors should be careful about expressing individual views to the press or media, whether or not they relate to matters of Council business.
- 3.7 Councillors also have an obligation to respect Council policy once made and whilst it may be legitimate for a Councillor to make clear that he or she disagreed with a policy and voted against it (if this took place in an open session), they should not seek to undermine a decision through the press.
- 3.8 A Councillor should not raise matters relating to the conduct or capability of an Officer or member of staff at meetings held in public or before the press.

4 Dealing with the Press

- 4.1 The following advice is offered to Councillors and Clerk when dealing with the press:-

- 4.1.3 Be calm and measured in any comment or response to a question;
- 4.1.4 Ensure that your comments and views will not bring the Council, its Councillors or its staff into disrepute and ensure that comments are neither libellous nor slanderous;

7.2 Role of Councillors

7.2.1 Parish Councillors should be reminded that, while the website and social media are useful means of encouraging public debate on local issues and for keeping residents updated on the work of the Parish Council, Councillors should focus any comments on the issues; language should be measured and respectful and personal criticism should be avoided. Many examples exist of controversy and criticism following social media postings – some many years after first publication.
